TESTIMONIALS

Everything about the day far exceeded our expectations, and each and every member of staff was just incredible.

The resounding feedback from guests was it was the best wedding they had been to, that the service was exemplary and that the food was spectacular! Our guests had an absolute blast.

T & M

We were so impressed with all of the staff – everyone was attentive, polite and professional, and the day ran smoothly and without stress. I wanted to make particular mention of the gentleman who seemed to be the floor manager on the day, he was amazing, and really helped us keep things to time and ensure everything went smoothly.

Z & E

A huge thank you to Conor and the team at The Mill for providing the most magical wedding day.

It was better than anything we could have imagined, the team were so attentive to our every need.

We were guided by Conor every step of the way and the day was faultless. The food and the service were excellent.

The Mill is a beautiful venue full of charm and ambience and we honestly wouldn't have changed a single thing.

We loved every second and will remember it forever.

K & M

We wanted to say a special thanks to you for your help in organising a perfect day for us, we walked away with the biggest smiles on our faces from such a perfect wedding.

Your help through the process made things feel like a breeze and the special touch of the engraved knife was the cherry on the cake.
